

End of Year Showcase Saturday 12th November 2016 AGDA Australiana

AGDA invites you all to our End of Year Showcase with the theme all about Australia! Your children will commence working on their routines filled with gymnastic skills and groovy dance moves associated to the award or level they are in this term. It is not compulsory for your child to be part of this event, but it is so much fun. EVERYONE has such a great time and the kids get a great buzz in performing on stage, under the lights to their friends and family.

Every year has been an amazing display of talent and this year is no different. You will be amazed at what your child and their team mates can do! It's an event not to be missed. You will receive a permission form which will need to be returned ASAP with payment to cover the cost of rehearsals, behind the scene expenses and the hire of the AGDA Costumes.
