

Are you interested in helping children learn lifelong skills, how to be safe when doing outside activities and enjoy encouraging children to get active and join a sport.

Why not join our growing team at Australasian Gymnastics and Dance Academy. We are a developing business that has been operating for over 10 years. We are looking at expanding our team to help open up more spaces in classes and get children off the streets and into a sport that can help them develop self-confidence, make lifelong friends and enjoy a developing sport.

With a brand new purpose built venue (which we will be hopefully moving into in the couple of months) which will allow us to expand and open up more classes to allow more members to join without having to go on a waiting list.

We are currently looking to employ some enthusiastic, energetic and motivated personal to join our growing team.

Are you willing to learn?

Do you have a 'Can Do' attitude?

Do you like working with children?
